We promise, your wedding meal will be a memorable experience with flavours of Killarney. Through our locally grown produce. We source the best food, always insisting on freshness and quality.

Each wedding menu is exclusively tailored to each couple and created by our Head Chef Liam O'Conner. Fruit and Vegetables are picked from our local green countryside, fresh seafood sourced nearby daily, and meaty dishes from our grill.

Each dish is a reflection of Liam's passion and his love of Kerry produce and modern Irish cooking. Each couple will have the option to pair each dish with a wine from our selection of old and new world wines. We offer an assemblage of canapés to welcome your guests to your reception.
